**PASTOR DAVID GUZIK**

After 20 years of pastoral ministry in Southern California, David became the director of Calvary Chapel Bible College Germany in 2003. He now lives in Siegen, Germany with his wife Inga-Lill and their three children.

He has written commentaries of every book of the Bible both in print, and on the Internet, and available as software.

Pastor David has many interests, but one passion among them is to know God's Word and to make it known to others.
